Hi Carolyn,

The latest congressional updates (other than ongoing exchanges with Senator Merkley's office) occurred before the June 24 date of your attached paper:

June 7—conference call for congressional offices on Proposed Plan

June 8—email update on Proposed Plan

June 23—1-day advance notice of extension of comment period to 90 days ending September 6

After the June 7 call, in response to a request from Congressman Schrader's office, I sent them a slide presentation on the cleanup from earlier this year.

The bullet about Senator Merkley could just be changed to "Congressman Schrader's office has been engaged with Region 10 regarding the Portland Harbor site."

I've added Marianne in case she has other thoughts on this.

Cindy

Hi Cindy,

We used the attached paper for Cynthia Giles' enforcement hearing and I need to adapt for Mathy's Superfund hearing for Rep. Schrader. Can you add any info. on the latest Member and/or staff updates and the date of any update?
